

I am Elisabeth and this is my life  
this year I got told I had Dyslexia and  
entire this made every thing look like  
this hi i a m E l i s a b e t h or this  
hello im ELISABETH I love meeting  
people that are have entire and dyslexia like  
me but theres people to help you to  
begin I realised I didnt do well in everything  
because I got all the numbers mixed up or  
letters then I got a tint and in about 800  
seconds I saw a new word that I  
didnt know the gigachous and terrific  
I learn new things and got over above  
and in vocabulary thats my story
